

Spring Valley Families

Every year Spring Valley works with various organizations to provide some extra help for families in need during the holiday season. To assist us in identifying these families, we are sending out this letter to offer families the opportunity to request a little extra help for the holidays.

If your family is in need this holiday season, please do not hesitate to fill out the bottom portion of this letter and return it to the school office by Tuesday, November 28, 2017. The information will only be shared confidentially with the requesting service organizations. Currently, we are working with Toys for Tots. If this does not apply to you but you know a family in need, please urge them to fill out his letter and return it to the Spring Valley office.

Please add my family to the Holiday List.
I understand I will be contacted confidentially by Spring Valley School for more details.
