How it all works

1. **Dropping Off/ Riding the bus:** Students need a green slip to turn into the office. If your student is late or is being checked out early we need the parent/guardian to sign him or her in or out. (Students need to be signed up for the bus to ride) Ask the teacher or office for a green slip pad.

Student Name: _____

 All Clear!

Parent Initials: _____ Date: _____

I affirm submission of my child's health screening in ParentSquare.

2. **Loading and unloading of students:** We have one drop off line in the AM that starts at 8:00am. We check temps, students are expected to turn in green slips and use hand sanitizer before going to class. After school in the PM we have two pick up lines, one going west 10ft behind the busses. The other going east towards our grass play field. The line to the west is the single family rider pick up. The line going east is for multi family pick up of multiple riders.
