

Dear Parents of all Kindergarten through 8th grade students,

We will be having our Ski and Snowboard program again this year. We will be going to China Peak. The instructors are professionals, not volunteers. They will take students of all ages. They will provide all equipment for both skiers and snowboarders. It will cost \$30 to register for this program. After that, the cost for the lesson and rentals will be \$30 per student each week your child goes, less if you have your own equipment and/or a season pass to China Peak.

If you are interested in this program, please return this form with your non-refundable one time registration fee of \$30. Each time your child would like to go, an online registration form from China Peak needs to be filled out and signed for each skier/snowboarder, 10 days before your child attends. Transportation will be provided by district bus at this time.

If you have any further questions, please contact Mrs. Pincus in room 1. You can also email at hpincus@mychawanakee.org
