Dear Spring Valley Families,

The time has finally come for the transition of adding a new classroom. The process of getting the new rooms set up is currently underway. As many of you know Mrs. Varner was hired for the 7th/8th grade English/History teaching position and has already taken over for Mrs. Boatman.

Students will start in their new classes on the first day back from Winter Break, January 9, 2018. If your student is currently with Ms. Allen, Mrs. Willis, or Mrs. Pincus they will remain in that class unless you have been contacted by the school. Third grade students will be with Mrs. Boatman, unless you were contacted, and her new room will be Room 8. That is the room by the cafeteria. All 4th grade will be with Mrs. McGrew in Room 3. All 5th will be with Mrs. Frazier in Room 25. This is portable classroom next to the bathrooms by the field. All 6th grade students will remain with Mrs. Bolanos.

The teachers and I are planning on introducing the students to their new rooms at the end of the day on the last day of school. They will be able to see where their new class is located, if the location has changed and meet their new teacher, if that has changed. The teachers will send home the classroom syllabus when we return from break.

If you have any questions please call the office or email me at jfairbanks@mychawanakee.org.

Sincerely,

Jessica Fairbanks
Principal
